

The background of the image is an abstract, textured surface. It features a mix of blue and green hues, with some areas appearing more saturated and others more muted. The texture is uneven, with visible brushstrokes or fibers, giving it a painterly or organic feel. A white rectangular box is centered on the image, containing the text.

PAMELA H. VIOLA

NEW WORK
SPRING 2023

Hello! It's been a while since I've been in touch. It's time for us to catch up.

In January 2022 I stopped posting on social media. Political, pandemic and environmental news was burning me out and I needed to lighten my soul. Art making is what fuels my soul and my daily practice never stopped.

During this time the focus of my work has shifted from photography to non-objective painting and mixed media. While I continue to grow and develop this new work I feel it's time for it to make its debut.

All of the paintings in this book are small, 14" x 11" or less. In June I'm looking forward to moving into a larger studio where I'll be able to create larger pieces.

I may be focused on abstract painting, but I'm still photographing my travels. I've enjoyed trips to Israel, Jordan and Iceland in the last few months.

Thank you for your interest in my work and if you have any questions or feedback I'd love to hear from you.

All the best to you,
Pamela
